West is declarer in 7NT. North led the Jack of Spades. Can you make 7NT?

SOLUTION

East wins the lead of the Jack of Spades with Ace.

Play the King and Queen of spades and discard the A and K of hearts.

Lead the Q, J and 10 of hearts and discard the AKQ of diamonds.

Lead the J,10,9,8,7,6 of diamonds and discard Q,J,10,9,8,7 of clubs.

Lead the 2 of clubs to Ace. Making 7NT.

The west hand took only one trick: the Ace of clubs.
