

Policies for Club Championships

The following have all been endorsed by Management Committees over the years.

(Note - if a specific policy is not mentioned in this document, then the applicable [QBA regulation](#) will apply.)

These rules will apply to the following events: Club Pairs Championship, Club Novice Championship, Club Teams Championship.

1. These competitions are to be run by a non-playing director.
2. Current club directors are to be offered the chance to direct these events before an outside director is asked.
3. If an outside director is used, then the Games Director will arrange for one of the Club's directors to act as liaison, to assist in the planning, setting up and scoring of the event.
4. Time allowed for play remains the same as for normal sessions.
5. Entry conditions for each event will be displayed on the entry form, or next to it, when displayed on the club noticeboard.
6. Red points on Championship days will be awarded to players in the competition, but not to those in any side movement organised for the same time.
7. Entry fees will be clearly displayed alongside the entry form.
8. Entries will close at the time and date listed on the entry form. Additional entries may be accepted by the Director in order to organise a more balanced movement. Last entry may be refused if it does not fit in with the movement.

9. All entrants (including substitutes) must be financial members of the Noosa Bridge Club Inc. & must have played in at least six (6) Noosa Bridge Club Inc. sessions during the three (3) months immediately prior to the event.
10. No substitutes will be allowed at the time of registration. Should unforeseen circumstances arise, one substitute of equal or lesser ABF ranking or playing ability may be allowed for one qualifying session, with prior approval of three directors, appointed by the Games Director.
11. A separate game may be arranged for non-competing members if there are three or more tables and this game will be a green point event. If there are less than three tables the non-competing players are to be included in the main event. These participants will be eligible for red points, but not for title, trophy or prize money.
12. Prize money and/or trophies will be presented at the Annual Prize Giving held at the Christmas Party.
13. The above should be read in conjunction with [Policies for Club Play](#).
